GENERAL INFORMATION

PRICES in this list cancel all previous listings, and are subject to change without notice.

DELIVERIES can be made by truck to almost any point at a moderate cost, depending on distance and quantity of material.

HARDINESS OF STOCK. Grown in the heart of Michigan, our materials are extremely hardy.

STATE INSPECTED. Our materials are certified by the State of Michigan to be free from dangerous insects and dangerously contagious tree and plant diseases.

TERMS. Thirty days net to those whose responsibility is known to us, unless other arrangements are made at time of acceptance of order.

CLAIMS. When stock is not delivered by our truck, our responsibility ceases upon delivery of stock in good condition to transportation company. Claims for damage while stock is in transit should be made promptly to the transportation company.

GUARANTEE. STOCK PLANTED BY US and supplied from our nursery will be replaced free of charge if dead from natural causes before August 1st of the previous fall or spring of planting, provided this material has received normal care, and provided payments have been made as arranged. Stock NOT planted by us will be replaced at half price, if dead as above described, before August 1st on previous fall or spring deliveries, and also provided payment of materials has been made in full. This guarantee excludes fatalities from tornado, severe drought, abnormal winter or other conditions over which we have no control.

ONE VIGOROUS PLANT
that you know thrive, and
bloom true to description
is worth any amount of
poor plants, no matter how
little you pay for them.
